This book is sold subject to the condition that it shall not, by way of trade or otherwise, be lent, re-sold, hired out or
otherwise circulated without the publisher's prior consent in any form of binding or cover other than that in which it is
published and without a similar condition including this condition being imposed on the subsequent purchaser.

This book contains advice and information relating to health care. It should be used to supplement rather than replace the
advice of your doctor or another trained health professional. If you know or suspect you have a health problem, it is always
recommended that you seek your physician's advice before embarking on any medical program or treatment. All efforts
have been made to assure the accuracy of the information contained in this book as of the date of publication. The
publisher and the author disclaim liability for any medical outcomes that may occur as a result of applying the methods
suggested in this book and any actions are taken entirely at the reader's own risk.
